Castle House School prides itself on its uniform and believes that it

- engenders a feeling of belonging and allows the children to demonstrate pride in their school
- is practical and distinctive
- identifies the children with the school
- makes the children feel equal to one another in terms of appearance and reflects a sense of community

Uniform

Our policy is that all children at Castle House School should wear the school uniform when attending school or when participating in a school-organised event outside normal school hours. Blazers and caps, berets and boaters should always be worn when travelling to and from school. Uniform can be purchased at Mary's Tots n Teens in Newport

Jewellery, hair accessories and make-up

Children should not wear jewellery to school. An exception will be made for pierced ears (for safety reasons, only small studs may be worn which must be removed or taped over for PE) or if the jewellery is of religious or medical significance. Children may wear a watch on the understanding that it is not a distraction to their learning and that the school will not accept any responsibility for loss or damage. Children with hair that is long enough to be tied back should do so. Hair accessories should be discreet and ideally black, brown or navy in colour. Make-up and nail varnish, in any form, is not permitted.

Footwear

We ask that all children wear sensible black shoes. Fashion shoes or boots are not acceptable. Wellington boots may be worn in wet weather but please ensure that your child has another pair of shoes to change into on arrival at school.

All clothing and equipment must be clearly labelled with your child's name. The school cannot accept responsibility for any lost items.
